# TUMBLE FUN CLINICS

**1 day clinics for ages 3+  
CLARK MEMORIAL YMCA**

Join us in the Clark Memorial YMCA Gymnastics Center for our Tumble Fun Clinics. Clinics are a 1 time 1 hour program. During our clinics children will explore the fun of tumbling using our various mat aids, spring floor, tumble trak and air trak. Depending on age and abilities we will visit skills such as rolls, cartwheels, hand springs, tucks and more. Whether you are new and looking to try a class before the next session or have been with us before you are sure to have fun tumbling with our friendly instructors!
